

BC Forage Council Workshop & Seminar

May 6, 2016

The Village Inn, Vanderhoof

ON FARM DEMONSTRATION RESEARCH WORKSHOP: 10:30-4:30

Have you thought about doing your own on farm research?

We are looking for producers who are willing to work through the draft "On Farm Demonstration Research Manual" and provide feedback. This is an exciting opportunity to not only get the first look at this incredible publication but to have a hand in shaping and creating it. Bring your research ideas!

Lunch, coffee/tea, and snacks will be provided. Space is limited so please register early!

Information & Registration: Sheri Schweb, 250-255-9065 or bcfc@bcforagecouncil.com

EVENING SEMINAR: 7:00-9:00

Climate Change Adaptation Project Update - Catherine Tarasoff, PhD., P. Ag.

A project update and an opportunity to hear some exciting details on the manual.

Making Sense of Weather Station Data - Lavona Liggins, P. Ag.

A demonstration of the Farmwest website. We encourage you to bring your own laptop as there may be an opportunity to connect and have hands-on experience navigating the site.

Balanced Approach to Soil Health - Norm Dueck, CCA

A discussion on soil health followed by a soils-based questions and answer period.

There is no cost to attend the seminar but you **must register by May 4th** with your name and contact information. This is to ensure we have enough refreshments, snacks and seating.

To register please contact: Sheri Schweb, BCFC Manager, 250-255-9065
